

# RESIDENCE

THE ART OF DECORATING

## MEDIA KIT 2026

The most unique and high-quality magazine where interior, art, design, luxury and travel come together.

# RESIDENCE

Residence has been the magazine where interior design, art, luxury, and travel come together for 38 years. We inspire with refined home features, design trends, and exclusive interviews with leading designers and artists. In addition, we take our readers to stylish destinations worldwide and share unique accommodations and cultural highlights in Residence Traveller. With up-to-date listings in the high-end real estate segment, Residence is the ultimate platform for elegant living, timeless design, and international lifestyle.

## TARGET AUDIENCE

Residence reaches a style-conscious and cosmopolitan audience (30+), highly educated and passionate about interiors, art, travel, and craftsmanship. Our readers are tastemakers and professionals such as architects, stylists, and decorators. The majority are women (60%), but men (40%) also find inspiration in Residence.
